This Steam Library Key is for High Treason: The History of Patriot Act, and has been activated through Steam .Q: Set maximum value for slider input I've been trying to make a slider, which will have a maximum value of 100, and a minimum value of 0. For example, if I'm trying to keep the value between 0 and 50, I should be able to see the exact value on the screen, and if I try to set the value beyond 50, the value should reset to 0. For now, I'm stuck with the minimum value, because it does not work with the current setup. HTML:
