
Driver HP Hs2340 HSPA Mobile Broadband Network Adapterfor Windows 10

September 17, 2015 - Check Show compatible hardware, then select USB Mobile Broadband Network Adapter Module, and then click Next. Click Find Hardware. This will search for compatible hardware. When the search is complete, a list of available network adapters will appear on the device screen. If the list is empty, then the driver is not installed. If the list will contain several network adapters, select the required adapter in it. To add a network adapter to the list, click the Add button. To install a new driver, select Add Driver from the Driver menu. Click hardware search .
