The Legend of Heroes is a trademark of Falcom Corporation. eldenringgame@gameloft.com You are here 'Great-grandfather' that died far away was sent to me as 'David' This is the first time a personal condolence letter was sent to me by the family who started a memorial group on the internet after the death of their great-grandfather, who died 10 years ago. I had not heard of the family before, but my parents knew them through their daughter's wedding in Bulgaria. So what made this letter different? The family had only one photo of their great-grandfather, a younger version of himself, 'in his wedding dress'. This photo was found in the web archive and printed out, along with the story of his life, his English name, birthplace, military service and date of death, 6 May 1953, from a family member, but not from the family. It wasn't the first letter I had received in this way, of course. I'

The Elder Scrolls V: Skyrim Special Edition is confirmed for release sometime in 2017—springtime or summertime, seemingly. Polygon has learned from multiple sources that Bethesda will release the game this spring, which would be about four months after the game's final DLC pack drops. We've also heard that Skyrim is the only thing coming out of Bethesda's studio this year, aside from the recently announced Fallout 4: Blades DLC. So Skyrim is either just a big thing, or it was supposed to come this year but got delayed.

[Update: Eternum: Sonic Enforcer Bonus Pack Now Available]

Bethesda released a lengthy announcement to say that Bethesda is well aware of their fans' frustration over the delay of Skyrim, and will release the game on April 4, 2017. The announcement site also contains a brief story about the difficult hurdles the game's devs faced before release—which is an interesting way to put it.

The individual owners of digital Skyrim will get a second chance on

A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. The concept behind the online elements we introduced in the "The Lands Between" expansion is to capture the online elements in a way that feels more like an experience you have with your friends than just with someone on the internet. In terms of doing this, for instance, you can chat with your friends in real time over voice or text messages, or you can battle other players at the same time in random matches. A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. Free game included - Statistics, achievements, friend list, and multiplayer communication system - A character creation system that allows you to freely combine the weapons, armor, and magic you equip - A multiplayer system that allows you to enter into a free match with players of all levels and battle another player in real time - A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected - High-quality artwork that expresses the character and scenery of each region - A seamless online multiplayer system that connects with other players so you can enjoy a unique online experience - An epic drama based on the Lands Between fantasy story Recommended - Buy the expansion pack "The Lands Between" if you want to play a bigger version of the game - If you wish to enjoy the online elements of ELDEN RING, you should play "The Lands Between" expansion pack.
