I have been given a lot of work in the past 3 days and now I have to actually spend time to study. It is exhausting, but I somehow need to manage my time properly. When studying I stay at home for 2 or 3 hours and when doing that I just concentrate on the work I have to do. Today I arrived home at around 3 in the afternoon and just managed to spend my free time with my friends. After this event I am done with everything. Today I went to Germany for a work project. The deadline was set today and I have to be there tomorrow to work with my team. It was really exciting and I had a really good time. I did not see my friends before leaving, but they will meet me at the airport tomorrow. We had a really good time. We decided to go into town and I was seeing so much I had a hard time to catch all the pretty things. But it was worth the visit. We ate at a
