Explanation Under the EMR scheme no change in the number of busses is allowed as per new time frames. However, under the New scheme, there can be change in the number of busses on any route. The two different methods of collecting fares are the basis for calculating the MUP (minimum up/down payment) and service tax (applicable on booking more than 10 trips in a month). Merits The new Fare Collection Method 2 has been introduced for providing a better service to commuters travelling in Metro and bus services. The number of busses/trains will be increased/decreased from time to time according to the
