Lee and Shakespeare. The Royal Canadian Mint said the coins join the "Monarchy" and "Canada" series of bullion coins that have been produced since 2009. The new "Genesis" coins will be exclusive to collectors and investors. "We already have a string of beloved Canadian and international coins that have been minted for the love of minting, and we've been excited for the launch of this new series," said Jody McKay, senior vice-president at the Royal Canadian Mint.
