In the Arena, the war rages as the heroes struggle to gain more power. The people scream for blood as the heroes fight against their opponents in the Arena. The World of the Shinkaisha is a world where the strength of the enemy is the only power. Prepare yourself for an adventure far beyond the battles between the heroes and the strong enemy. A 'Shinkaisha' story, is a story that is told through the eyes of a hero. A story of overcoming all obstacles, of evil beings standing in your way, and of evil creatures that get in your way as well. The World of the Shinkaisha is the story of you... System Requirements:

The most basic requirements to run TIS are that you have a 2-core CPU and 1GB of RAM. For speed to take a hit, I'd recommend running TIS using a minimum of 2GB of RAM. It's worth it to go with a slower, but less expensive, graphics card (you can run TIS with integrated video). Windows XP Service Pack 3 is recommended. The good news is that a powerful graphics card and 2GB of RAM will make TIS a great choice for all. Weighing in at just over half a meg
