A portion of the disclosure of this patent document contains material which is subject to copyright protection. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the U.S. Patent and Trademark Office patent file or records, but otherwise reserves all copyright rights whatsoever. The present invention relates generally to an automatic update system for a computer software application program and more particularly to a method and apparatus for automated update of a software application program stored on a CD-ROM. The primary computer application program that an individual utilizes in a typical office environment is the software application program embodied within a personal computer. This is true because a personal computer typically has a greater computing power, is able to store a greater number of programs than a hand-held calculator and is more compact than a hand-held calculator. One example of such a software program

comics velamma I am sorry for my , Velamma
is a widow, childless. She works in a shopping
mall as a cashier. Vela is a sweet, a bit stupid
and clumsy girl. Can you ever imagine sex with
a cashier?. Velamma; To have sex with a female
in a shopping mall. Vela; To piss on a girl and
put her hand on my dick. . With no husband and
children , Velamma feels the need to go out
and conquer the world. She takes a bus to
Chennai and gets an appointment with a woman
known as Gie. As a little thanks for her help, the
owner lets Vela have her own "office" in the
mall, complete with a desk, a secretary and a C-
word. His name is Prof. The Prof is a big fan of

Velamma and introduces himself as her sponsor and protector. Prof. wants to take Velamma on a business trip to Singapore where Vela will run a fashion school. Prof. tells Vela that she needs to change her lifestyle a bit. . . Now she is well dressed, always uses the same perfume and likes to get her nails manicured. She drinks only hot water and tea, sleeps on a couch in the store, has her meals at the mall cafeteria, etc. In her dreams, Velamma is constantly being chased by some enemies. They want to make her give up her secret profession and give her children. Velamma remembers back, when she was about ten. She had never had a friend. She started to feel lonely and walked in the woods behind her home. There she saw a young boy. He was running back to his home but he saw Velamma. He stopped, smiled, waved and went away. Velamma has one more dream of falling in love. The older she gets, the more she likes to be in love. "Jai Love moondirichu" is a Tamil musical rom-com movie directed by Praveen S. Kumar. The story of "Jai Love moondirichu" revolves around the love story between Malar and Velamma. Jai is a workaholic businessman who is obsessed with controlling
