Developer Steve Demeter is currently working on the launch of an exciting VR ride-sharing app called SparCity. It does just what it sounds like, letting users "spar" with other riders to get a decent fare. I caught up with Demeter to see how the app works, and why it's the future of transport. "We expect to compete with Uber with the SparCity app," says Demeter. "A big part of the appeal is you get someone else to drive you. I think that's the most appealing thing for many people." Demeter's app isn't yet live, but he expects to start testing it out in Vancouver later
