Unique Multiplayer System Enter into an Asynchronous Multiplayer Environment Online Game Center Collect player's vital information Author's comments: Hi, everybody. This is game by famous Role-Playing Game (RPG) studio D3 Publisher in collaboration with Square Enix. As for genre of RPG, this is FPS-RPG and also as action RPG that is similar to Naruto Shippuden Ultimate Ninja Storm series. "Lands Between" is the name of the series. Story of Lands Between Raising Dragon The Realms Between The God of War A Legend Reborn Rise & Tarnish Elden Ring Relation of this game and the series of Lands Between. (Please see in the end, too.) RPG Series of Lands Between In D3 Publisher collaboration with Square Enix, we will be making a series RPG game with the name of "Lands Between". The title of the games will be like "Lands Between" We also suppose to release it on PlayStation 3 in Japan. Would you like to be as a former hero? In this RPG, you will be a Tarnished Hero and fight in the ground base on map that is specially made for RPG. The God of War In this RPG, there will be a 3D multiplayer game. Highly versus. Each multiplayer at high speed. In this game, you can play in open world. Surrounding world by environment that you search. The online game that is against a person to fight will be up. You can play against the existence of the game. Cave. The enemy will be placed in this RPG cave that appears and disappears. If you are playing in this online game, you can fight against the enemies in the cave. If you defeat the enemies in the cave, you get the experience. Part of Adventure You will be able to play in an open-world environment. And also, in the platform game, you can play in the 3D with character that you raise. You can play in the adventure mode of the RPG that also has the character that you raise. Tuned up characters that fight is perfectly tuned. And also the bosses of the RPG are tuned up on the very high level.
